

You Give Me Something

Now United

You only stay with me in the morning
You only hold me when I sleep
I was meant to tread the water
Now I've gotten in too deep
For every piece of me that wants you
Another piece backs away

'Cause you give me something
That makes me scared, alright
This could be nothing
But I'm willing to give it a try
Please give me something
'Cause someday, I might know my heart

E quantas horas você perdeu
Pra passarmos um tempo junto a sós
Digo nunca te dei flores
Eu entendi o seu sentido
Nunca pensei que iria amar assim
Quem é o sonho de outro alguém

Você me faz sentir
E me deixa com medo, ok
Não deve ser nada
Mas eu to a fim de tentar
Por favor me faz sentir
E o meu coração vai te chamar
Espero que ainda há tempo

And the words I could never say
Gonna come out anyway, yeah, yeah
Oh, oh

Oh, oh, oh, oh
You give me something
That makes me scared, alright
This could be nothing
But I'm willing to give it a try
Please give me something

Oh, cause you give me something
That makes me scared, alright
This could be nothing
But I'm willing to give it a try
Please give me something
'Cause someday I might know my heart

Conquistar, conquistar, conquistar

Yeah, yeah, yeah
I might know my heart, baby
