

# Nevermore

nothing,nowhere.

I'm the light in your shed  
Shining through your bedroom window  
Keeping you awake  
I'm the thoughts in your head  
I'm every word you never said  
Keeping you awake

Remember me with a smile on my face  
So when I'm gone you can know I'm in a better place

I'm not so sure  
About anything anymore  
I guess I got what I asked for  
I've been so sore  
From always sleeping on the floor  
I don't wanna do this anymore  
I don't wanna do this anymore  
I don't wanna do this anymore

What's the point of waking up?  
Why can't I give a fuck?  
How can I see the brighter side when the blinds are  
closed and I'm stuck?  
You said I'll get it when I'm older  
Getting closer no closure  
Now I'm feeling like it's over  
We don't even have to go there  
Like damn

Look at my life  
Tell me why I can't do anything right  
Don't wanna complain so I keep it inside  
Losing my mind wide awake every night  
Remember these days at the old cul-de-sac  
Feel like that shit was a dream looking back  
Now I can't help that I live in the past where nothing will last

I'm not so sure  
About anything anymore  
I guess I got what I asked for  
I've been so sore  
From always sleeping on the floor  
I don't wanna do this anymore  
I don't wanna do this anymore

I'm not so sure  
About anything anymore  
I guess I got what I asked for  
I've been so sore  
From always sleeping on the floor  
I don't wanna do this anymore  
I don't wanna do this anymore
