

Pieces Of You

nothing,nowhere.

All the pieces of you fit perfectly in the hole inside my heart
And I'd be lying if I tried telling you that you're not everyth
ing I want

Yeah, I keep a picture of you in my pocket
And last night, I almost lost it
I used to think I should quit you
But I'm so addicted, it hurts
Remember the nights that we would stare at the lights by the tr
ain tracks
And you would always listen to Dashboard
That was the first time that I realized

All the pieces of you fit perfectly in the hole inside my heart
And I'd be lying if I tried telling you that you're not everyth
ing I want
'Cause I tried running away
But I came right back today
Just hoping that you'd let me say, "I'm sorry"
'Cause all the pieces of you fit perfectly in the hole inside m
y heart
Inside my heart

I wasn't ready for this, looking in hindsight
It's like bringing a knife to a gunfight
And sometimes, I listen to your voicemails
Need something to fill the void
Remember the night we almost got in a fight in your driveway?
And you told me that you needed space
That was the last time that I realized

All the pieces of you fit perfectly in the hole inside my heart
And I'd be lying if I tried telling you that you're not everyth
ing I want
'Cause I tried running away
But I came right back today
Just hoping that you'd let me say, "I'm sorry" (Sorry)
'Cause all the pieces of you fit perfectly in the hole inside m
y heart
Inside my heart
(Inside my, inside my, inside my heart)

Remember the nights that we would stare at the lights by the tr
ain tracks
And you would always listen to Dashboard
That was the first time that I realized (Realized)
All the pieces of you fit perfectly in the hole inside my heart
