If you stumble, then say so  
Put it all on the table  
I'll be out by tomorrow  
(I'll be out by tomorrow)  
Acting like you're an angel  
I ain't seeing no halo  
Fell asleep in the car  
(Fell asleep in the car)  
Why is love always painful  
Never learn how to say no  
Living life in the past  
(In the past, in the past, in the past)  
Are you tired of the same old  
Never learn to be grateful  
Guess you're movin' o- (CULT)

Spending nights inside your apartment  
Illustrating drama on parchment  
You were my companion, constant  
Edges dull and the colours sharpened  
Cellophane, you see right through me  
"Red-eye" flight, I watched a movie  
I replay what used to be  
Over and over again

If you stumble, then say so  
Put it all on the table  
I'll be out by tomorrow
