NRBQ

Daddy-o I love him
oh, Who do you love? It's my daddy-o
Who do you love? it's my daddy-o
oh, who do you love? it's my daddy-o
he's got apples and peaches for you

he's got apples and peaches all around the house
he's got apples, he's got peaches; he's the king of the house
he's got apples and peaches, all around the house
he's got apples and peaches, and a kiss or two

so, who do you love? It's my daddy-o
who do you love? It's my daddy-o
Who do you love?
Who do you love?
It's my daddy-o
He's got apples and peaches for you

Well, now just the other night, he came home very late
He could hardly walk and so he staggered through the gate
Just then they heard him coming in the house
He's got apples and peaches and a kiss or two

so, who do you love? It's my daddy-o
Who do you love?
Who do you love?
It's my daddy-o
WHO- DO -YOU -LOVE- baby
It's my daddy-o
He's got apples and peaches for you

Ah-o we are!
OoOoh who do you love?
It's my daddy-o
Ooh who do you love
It's my daddy-o
who do you love
who do you love
who do you love
Its my daddy-o

it's my daddy-o
he's got apples and peaches for you!
