

## Tell Me Why

Nu Flavor

Tell me, tell me, tell me why  
Why you tell me lies, even after all I do for you?  
And tell me, tell me tell me why I try  
Try to be your guy, even all you put me through?

Enough's enough my dear  
No longer can I take this pain inside  
You know the truth is that you look me for a ride  
I guess I never did enough to keep you satisfied

It's a cruel deception  
You told me that you loved me when it wasn't even true  
In spite of all the love I give to you  
Nothing in the world I wouldn't do  
To keep you happy, to make you happy  
Oh, tell me why

The sun shines bright again  
And all the tears I've cried for you have been washed away  
Because all the things I did for you just seemed in vain  
Tell me what game you play, oh baby

I've been so true to you  
Gave you all the things in a man could ever give to you  
And when you were down my love was there to see you through  
Baby, what am I to do?  
Someone tell me why

Oh girl  
I tried giving you the best of me  
I was so blind but baby now I see  
you tell me all the time, that everything is fine  
When you know that's a lie, lie, lie
