Technology

Nuclear Assault

Look around tell me what you see, we are products of technology The nuclear age has left its mark, it's up to us to avoid the d ark

You don't care what's around You you're blind and deaf Just sit back and watch TV Don't care what you're seeing Whey can't you look around And see your surroundings Learn to think for yourself

Hear without listening, see without seeing, ignoring parts of r eality I'm wasting my time, I'm wasting my breath, on people who choos e ignorance
