"You're bad, just one glance and I can tell
You're wrong, you stand out so easily
I think I told you

To never stand out"

Why am I bad, because I'm better than you?
Because I'm different, because I'm not the same?
I think I told you
To not point fingers at me

I don't care, I don't care
Why don't you follow them?
You all look exactly the same
Oh I'm sick of it, sick of it

It's no fun, why are you doing this
Like a bird trapped in a cage?
Oh don't trap yourself inside
Hurry and get up

Ready, incredible action
Ready, amazing action
Oh there's no need to care about others
You are shining

Ready, incredible showtime
Ready, your own showtime
Show who
You are so the world can be amazed

"You're bad, you do whatever you want
You're wrong, you just go with the glow
I think I told you
To never stand out"

Why am I bad, because I know what's good?
Because I'm different, because I'm not scared?
Huh! I think I told you
To not point fingers at me

I don't care, I don't care
Why don't you follow them?
You all look exactly the same
Oh I'm sick of it, sick of it

It's no fun, why are you doing this

Ready, your own showtime
Show who
You are so the world can be amazed

You are shouting out your name
What the world is waiting for is you

Lights, camera, action
I shout out to the
Typical system that told me to give up

The world is mine (not yours)
I don't
Go well with
Being a puppet

And it goes, 1, 2, 3, action
This ain't a movie
