Don't go away!

You were acting so strange
You seemed like you were upset
I don't know

Sometimes, I can't even reach you
Even if you reply, it takes twenty minutes
I said "boo..."

Come on girl
You are saying you want to break up
Why we need to break up? Girl
As I see you leaving
I turn around
And I smile

I meet up with another girl, whose phone number I got
I stay up all night partying like crazy
I'm a beautiful solo, every day party
Beautiful beautiful beautiful solo
I left you, who was an exhausting prison
I didn't know this amazing feeling of freedom
Woo... now I'm a beautiful solo today
Hey, go away!

I play all night and go shopping
But my wallet is still fat
I'm so excited

Come on girl
Time overflows more
Than when I used to date you
Now I can completely
Erase all the annoying
Anniversary dates!

I meet up with another girl, whose phone number I got
I stay up all night partying like crazy
I'm a beautiful solo, every day party
Beautiful beautiful beautiful solo

I left you, who was an exhausting prison
I didn't know this amazing feeling of freedom
Woo... now I'm a beautiful solo today
Hey, go away!

Don't lie to me, two is better
When I wake up, it's morning time without you
Because it hasn't been long
It just feels all good
I don't know, don't know, there is no tomorrow
Alone, being alone is the best
You should feel what I'm feeling too
Hurry and break up with that girl, ha!

I want to play all weekend
I want to play all the games that I want
I don't have to text
I can sleep in
I don't need to lose weight
Wonderful day

I meet up with another girl, whose phone number I got
I stay up all night partying like crazy
I'm a beautiful solo, every day party
Beautiful beautiful beautiful solo
One day, two days, one week passes
But tears fall even when I'm smiling
Woo...

Oh no!
Wait, this isn't right
Don't go away!
