Time to stop, quit the games  
Coming at your heart but don't take it as hate  
You might be sorry, but it's too late  
Game over for you, for world, checkmate  
This is a story about a dwarf and a giant  
But its gonna end just like David and Goliath  
Keep up with my pace, if you can  
Don't lag Wil E. Coyote cuz I'm road runner fast

Time to stop, quit the games

Coming at your heart but don't take it as hate

You might be sorry, but it's too late

Game over for you, for world, checkmate

This is a story about a dwarf and a giant

But its gonna end just like David and Goliath

Keep up with my pace, if you can

Don't lag Wil E. Coyote cuz I'm road runner fast

If you block my way, you are the idiot

Not knowing how to advance

You're just like a firework

Follow me to break through the barrier

Don't keep to yourself

Let the world see

A different you after metamorphosis

You just give up

If your tired, go rest

Anyway, the ending defeat

Has already been decided

No matter how much you talk

It's useless

Don't try to hind it

I know you have no courage

Just let the small universe explode

Whatever others say

It doesn't matter

If you can't hold the situation

Let it go out of control

Can't stop until

You reach your goal

Don't be the old you

Staying at the same ground

Chest stuck out, enjoy in the ride

Pushing others around

Got your head up high

But when the time comes, you can't hide

Quit it with the act  
I'm sick of your lies

Faster struggle, or else you're still the idiot  
Not knowing how to advance  
You're just like a firework  
Take action now and break the barrier  
Don't hesitate  
Let the world see  
A different you after metamorphosis

You just give up  
If you're tired, go rest  
Anyway, the ending defeat  
Has already been decided  
No matter how much you talk  
It's useless  
Don't try to hinder it  
I know you have no courage

Do you want to stay there or follow me?  
Stop dreaming, it doesn't hurt in dreams  
While you still young  
There's nothing much with getting a bit injured  
Bravely storm through, go mad all you want

Just let the small universe explode  
Whatever others say  
It doesn't matter  
If you can't hold the situation  
Let it go out of control  
Can't stop until  
You reach your goal  
Don't be the old you  
Staying at the same ground

Time to stop, quit the games  
Coming at your heart but don't take it as hate
