This is a story about a dwarf and giant
But it's gonna end just like David and Goliath
Keep up with my pace it you can
Don't lag Wile E. Coyote cuz I'm Road Runner, fast

You're in my way stupid, what are you saying? The insides of
Your head is so light that your words are like feathers
In this small, palm-sized place
You search for the Himalayas but I'm different
Hey, you're gonna get hurt, move, you're gonna get hurt
Sometimes being too courageous is a problem
Shout out, shout out to ask to save you
If not, from now on, watch closely

The bursting out jackpot
No matter what anyone say, so what
This is the difference between me and you
The bursting out jackpot
Till we finish, we can't stop
You always find out that it hurts after it shatters
That's what you're only at that spot

This showmanship that you've already learned
The friendship that you've already thrown away
Yes, go somewhere and show that off
You learn bad things faster than anyone else, shh!

You struggling stupid, are you okay?
If you wanna go home, tell me, I'll send you off
I won't make fun of you in the end, hey wassup loser
At your status, I'll just click the "like it"

Hey, you're gonna get hurt, move, you're gonna get hurt
Sometimes being too courageous is a problem
Shout out, shout out to ask to save you
If not, from now on, watch closely

The bursting out jackpot
No matter what anyone say, so what
This is the difference between me and you
The bursting out jackpot
Till we finish, we can't stop
You always find out that it hurts after it shatters
That's what you're only at that spot

What are you basing your actions on? Tut tut
Exactly what did you learn that you're so full of energy?
The news is the same, but only the age is different
You don't know why we're like this

The bursting out jackpot
No matter what anyone says, so what
This is the difference between me and you
The bursting out jackpot
Till we finish, we can't stop
You always find out that it hurts after it shatters

The bursting out jackpot
No matter what anyone say, so what
This is the difference between me and you
The bursting out jackpot
Till we finish, we can't stop
You always find out that it hurts after it shatters
That's what you're only at that spot

If you look down on people, it's bitter
There's nothing to see below, there's no one
Even if you jump, you're just a flea
Even if you demand, you're just a spot in front of me
This is a story about a dwarf and giant
But it's gonna end just like David and Goliath
Keep up with my pace it you can
Don't lag Wile E. Coyote cuz I'm Road Runner, fast
