If I could, if I could tell you
About my longing for you, that grows like hair
If I could, if I could see you
Your eyes, darker than the night sky

If it's there, in the film that I've missed until now
If it's there, in our past memories
I'll dive in and swim, the scent is deeply embedded
So the emptiness becomes a boat for me

After I let you go, when I think of you
Foolishly, it still feels like a dream
I'll keep your spot empty
I wanna put away the goodbyes for now

I wanna wanna turn back the time we had
Memories that fall like stars
I'm wandering and swaying
In the twinkling times

How nice would it be if I could reach you
Even in my dreams, if I could stay one more night
Like a fiction story, like a lie
If only we can meet again and smile brightly

Even though we walk on different paths, time still passes
Even though we look at different things
We look at the same sky
We are drawn on the same canvas
But your color isn't filled in the picture

If only I could see you again, if only I could smile with you
If only we could hold hands in this dream
How nice would it be? I wouldn't let go
I wanna put away the goodbyes for now

I wanna wanna go back to you tonight
Like breathing, I can't hold back the memories
It becomes rising smoke
Covering my eyes, making me sway

If only I could see you again from back then

How nice would it be if I could reach you
Even in my dreams, if I could stay one more night
Like a fiction story, like a lie
If only we can meet again and smile brightly

If only we could walk together again (if only)
I haven't forgotten
Your beautiful voice (if only)
Your smiling face
Clearly remains in my memories (if only)
I miss you, I miss you, I really miss you

If I could, if only I could turn time back
Like a movie, I'd go back to the beginning
If only you were next to me
As if this was all just a painful dream
