You all I need

Next to you, who is fast asleep
I am dreaming of you (oh yes)
And with five different sun lights
I'm waking you up again

Everyone tells me
That my words and face are cold
But because of your smile, I am melting
Sometimes, when you look tired
I'll sing you this song

It's alright girl
Even when black thorns
Scratch me up and give me scars
I'll be your knight
To save you from sadness

I'll memorize a spell for you
Baby (my queen) mahakenda peupeldomun
Don't forget, I'm on your side

No matter how dangerous the forest is
I'll cross the swamp and meet you at the eternal place

If I'm with you, I can go anywhere
I have nothing to fear
I like it, I keep getting courage because of you

It's alright girl
Even when black thorns
Scratch me up and give me scars
I'll be your knight
To save you from sadness

I'll memorize a spell for you
Baby (my queen) mahakenda peupeldomun
Don't forget, I'm on your side

Even if the moonlight disappears at night
If only I have you
This is my heaven

The more I get drunk with your mysterious eyes
I become at risk
My small greed keeps growing
So my heart is filled with you
Everything in the world looks like you
Am I under a spell?

It's alright girl
Even when black thorns
Scratch me up and give me scars
I'll be your knight
To save you from sadness

I'll memorize a spell for you
Baby (my queen) mahakenda peupeldomun
Don't forget, I'm on your side

You all I need
