When I'm thinkin bout you

You and me, at the end of the world
We're living in our eternity
When I look at you and when you look at me
You give me such strength and courage
That I feel like I could fly off this cliff

I'll hold you so I can fill all of you
Hold onto my trembling heart so I can rest

Tell me yes ah I'll give you everything
Tell me yes ah I'll be your light
Tell me yes ah please answer me
Tell me yes ah

When I'm thinkin bout you yeah yeah
When I'm thinkin bout you yeah yeah
You are my paradise yeah yeah
I'm falling into this world that's inside of us
When I'm thinkin bout you

You become my world
I dream of happiness in this place
Even if you're far away, I can feel you
When I listen, you're in the wind

I'll hold you so I can fill all of you
Hold onto my trembling heart so I can rest

Tell me yes ah I'll give you everything
Tell me yes ah I'll be your light
Tell me yes ah please answer me
Tell me yes ah

When I'm thinkin bout you yeah yeah
When I'm thinkin bout you yeah yeah
You are my paradise yeah yeah
I'm falling into this world that's inside of us
When I'm thinkin bout you

Even if I'm left alone
On a dangerous hill of hatred
With the method you taught me
I can fly cause you're in my heart

When I'm thinkin bout you yeah yeah
When I'm thinkin bout you yeah yeah
You are my paradise yeah yeah
I'm falling into this world that's inside of us
When I'm thinkin bout you
