Be my love, Sandy)

It seems like I'm being greedy to want to be next to you
So I tried to hold it in but it's not that easy
There's not a lot that I know how to do but
I'm trying to be brave in front of all these people
Even if it's awkward, when I call your name
I hope you will lift your head and look at me

Sandy Sandy, I only see you
Babe, I'm loving you babe
Sandy Sandy, I'll never make you be in pain because of me

Tears in your two eyes will make my world stop
Sandy Sandy, being friends is not enough
Be my love, Sandy

Truthfully, I keep noticing all those guys around you
I tried to laugh it over but it's not that easy

Though I'm nervous, when I hold your hand
I hope you will silently follow me

Sandy Sandy, I only see you
Babe, I'm loving you babe
Sandy Sandy, I'll never make you be in pain because of me
Tears in your two eyes will make my world stop
Sandy Sandy, being friends is not enough
Be my love, Sandy

I know that you might be scared
I know you were holding back your tears
But let your past go just like that
Don't be hurt anymore

Sandy Sandy, please nod your head yes babe

Sandy Sandy, I only see you
Babe, I'm loving you babe
Sandy Sandy, I'll never make you be in pain because of me
Tears in your two eyes will make my world stop
Sandy Sandy, being friends is not enough
Be my love, Sandy

I'll protect you till the end
I'll shine inside all of your heart
My baby my lady woo would you be my Sandy
You are my sunshine, your smile is dazzling
I will cherish you till the end baby
You're forever mine, right
My baby my lady woo would you be my Sandy
Being friends is not enough, be my love, Sandy

(Sandy, tears in your two eyes
Will make my world stop
Sandy Sandy, being friends is not enough
Be my love, Sandy)
