Though you're far away, you're alive and breathing
That's why it's impossible to hide these feelings
It's because everything is now in pieces
But if I follow the signal coming from those traces
I'll be able to reach you

Walking through our memories
I get one step closer to yo
Though I want more of you

In my heart, heart
You're only a dream
So I lay down a red thread in my heart
Open up a galaxy
And from a different dimension
I send to you

I keep walking down the path that has traces of you
I chase after the traces of your breath that remain
The fragrance that lays thick, as though it's trying to reach me
Hoping to meet again, hoping to find me
So I send to you and only you

I get one step closer to yo
Though I want more of you

On the day you find that piece of me
Appear in front of my eyes
I'll be waiting for you
I'll always be here in this spot
When I open my eyes, in front of me
Please be there, please let it be you
I send to you
