You came before me
Looking for your lost shoe
Dazzling girl
Oh magical girl, oh
You get nervous when the clock strikes twelve
And you hate apples
So cute girl
Oh lovable girl

When your body passes by, time stops
One kiss shakes up the whole world
Your lips, your scent
You're my storybook girl, my storybook girl

It feels like my heart is dancing
Like it's moving along to your hands
You took away my breath
You're my storybook girl, my storybook girl
You're my girl

Baby, you're my girl, baby
You're beautiful baby
You're my storybook girl, my storybook girl

Your silhouette is in my head
If I don't see you, my days are boring
My nose didn't grow long so I'm telling the truth
Where is the genie who will grant my wish?
Heart, open sesame
I need to turn the page in this storybook
But you have the key
If you come, we'll be ready to leave for a picnic

You melt me like chocolate candy
Teasing my anxious heart
Mysterious girl
Ooh, fairy tale girl, oh

As if we've met in my childhood dream
I waited for you all night
Destiny girl
I love you

When your body passes by, time stops
One kiss shakes up the whole world
Your lips, your scent
You're my storybook girl, my storybook girl

It feels like my heart is dancing
Like it's moving along to your hands
You took away my breath
You're my storybook girl, my storybook girl
You're my girl

Baby, you're my girl, baby
You're beautiful baby

You're beautiful baby
You're my storybook girl, my storybook girl
