Pursuit Of Happiness

Nuno Bettencourt

So you got to go, but you don't know where All that you know, is you can't stay here What's left to do, but wish you the best In your pursuit of happiness

You say it's not me, it's just you But I'm the only one in the room Asking myself why you have left In your pursuit of happiness

Happy happy happiness

Asking myself why you have left In your pursuit of happiness Pursuit of happiness

All the papers read Happiness is fled Known accomplice to the sad

I hope you find what you're looking for Your piece of mind, I want noting more Somewhere over the rainbows end In your pursuit of happiness

Happy happy happiness

Somewhere over the rainbows end A man in a suit of happiness Pursuit of happiness

All the papers read Happiness has fled Attempted fraud astrology

Is everybody happy
Is everybody happy
Smile everybody happiness

Time can move fast now that you're gone
Can't dwell I the past, what's done is done
Starting over again, more or less
In my pursuit of happiness
Starting over again, more or less
In my pursuit of happiness
