

I.N.R.I.

Nunslaughter

Burn the corpse of Christ
Char his holy flesh
I am unholy God
The messenger of death

INRI
Means shit to me
All I want
Is Christ to bleed
Had he lived
I'd killed him too
Your dead God
King of the Jews

Ablaze the white stone chapel
The place where evil lurks
Absu's rotten ghouls
Come ripping through the earth
