

Necromancy

Nunslaughter

The night is settled softly air is thick with brume
Book of spells and potions agitation looms
Amulet clutched tightly magic symbols wood
Aromatic resins as i draw my hood
Astrology right purpose is quite clear
Planets align as the time pulls near
Charms to be recited to conjure spirit dread
Profound divination while calling on the dead
Necromantic tendencies urging the dead to walk
Archaic form of magic getting them to talk
Life utter tragedies sad tapestry unfurled
Uncontainable knowledge from the underworld
Circle made of skin my body the host
Binding all the spirits malevolent ghost
Nauseous feeling inside making me sick
Undead creature fading i expel the lich
This is Necromancy archaic to say the least
Praying to the dead subjugate deceased
Necromantic tendencies urging the dead to walk
Archaic form of magic getting them to talk
Life utter tragedies sad tapestry unfurled
Uncontainable knowledge from the underworld
Circle made of skin my body the host
Binding all the spirits malevolent ghost
Nauseous feeling inside making me sick
Undead creature fading i expel the lich
