

Just Don't

Nural

To wake up and be here means one more year
I've been longing for that road
And it means that road be marked with what I fear
Then I'd say, bring on the suffering.
But surely I'd be walking, I sure as hell can't drive unless yo
u
Come along for the ride
Leave it all behind, leave it all in ruins for all I care.
For all we care.

Don't look back, just keep driving.
Don't stop no just keep striving.
And don't say that we've seen better days
Cause we haven't seen a thing, we haven't seen a thing.

And at the break of day, in our case noon
We'll scale that open road
Cause here the hopeless thrive
And all our dreams are shot out of the sky
But they won't die if we...

Don't look back, just keep driving.
Don't stop no just keep striving.
And don't say that we've seen better days
Cause we haven't seen a thing, we haven't seen a thing.

And some day when we're just a myth in town
I want you to know, I want you to remember
that friends do last forever, last forever
So don't you ever change, no...

Don't look back, just keep driving.
Don't stop no just keep striving.
And don't say that we've seen better days
Cause we haven't seen a thing, we haven't seen a thing.

Do do do do do do, yeah
do do do do do do do, we haven't seen a thing
Do do do do do do, yeah
do do do do do do do yeah
