

D.Y.T. (Do Your Thing)

NVDES

I sing your name like a mantra
In the back of a Hyundai Elantra
Watcha doin' to me hmm baby danke
If you've been good, I'm your karma
If you've been bad, I'm a ghost gonna haunt ya
Cause, I really really really really want ya
I really really really want ya
Ya, I really really really want ya

Do your, do your thing
Do your, do your thing
Do your thing
Do your, do your thing
Do your, do your thing
Do your thing

Do your, do your, do your thing
Do your, do your thing
Do your thing

Do your, do your, do your thing
Do your, do your thing
Just do your thing

Ya do your thing

We can take a blueberry pancake break
Okay, ya now that sounds great
Gassin' the engine, we're goin'
Every position
Put the key in that ignition
Burnin' that oil transmission, oh yah

Do your, do your, do your thing
Do your, do your thing

Do your, do your, do your thing
Do your, do your thing
Do your thing

Do your, do your, do your thing
Do your, do your thing
Yah do your thing

I need somebody I can count on
Oh somebody who can hit the spot, and don't stop
Spreadin' out my body like it's butter, don't stop
Just somebody who can hit the spot, and don't stop
Body who can hit the spot, and don't stop
Ba ba ba ba
Don't stop, don't stop doing your thing
Don't stop, don't stop doing it baby

Do your, do your, do your thing
Do your, do your thing

Do your, do your, do your thing

Yah do your thing

Do your, do your, do your thing
Do your thing

Do your, do your, do your thing
Don't stop, don't stop, don't stop doing it baby
Don't stop, don't stop, don't stop baby
Don't stop, don't stop, don't stop doing it baby
