

My Mind Is

NVDES

My mind is a
I never owe nobody else
I never owe nobody else but you

My mind is a
I never owe nobody else
I never owe nobody else

Do you wanna come my way?
Did you wanna come and miss my mind is

Do you wanna come my way?
Did you wanna come and miss my mind is a

Well, if you're fine would you let me know?
Never did you move on when your mind goes
Never did you move it with you
I never owe nobody else
I never...

Mind is over when you bend what you do
I said I never help you breathing, but it's never for you

Do you wanna come my way?
Did you wanna come and miss my mind is

Do you wanna come my way?
Did you wanna come and miss my mind is

Do you wanna come my way?
Did you wanna come and miss my mind is

Do you wanna come my way?
Did you wanna come and miss my mind is

Miss my mind is
Miss my mind

I'm moving with the right mind
Caught me when I fall
I'm moving with the right mind
Caught me when I fall
