I feel sexy with you  
I like that thing you do  
You turn my body blue  
And I like it  
I like it  
Midnight déjà vu  
I like that thing you do  
You turn my body blue  
And I like it  
I like it

Everybody dance  
Everybody lose your mind  
Everybody dance  
Turn up till your love is right  
Turn up till your love is right

Take a Maserati bring in your top hat  
Take a lap around the mountain and bring it back

Sitting here smoking the high lens
