

They Wrong

NVDES

They say I'm not the world
(They wrong)
That I can't love a girl
(They wrong)
That I will stay unheard
Well, they wrong
They wrong, they wrong, they wrong

They think I should be blonde
(They wrong)
I can't wear what I want
(They wrong)
They say we can't have fun
Well, they wrong
They wrong
They wrong

('Cause they wrong
They wrong)

They say I can't roll blunts
(They wrong)
I smoke them in the sun
(They wrong)
Or text you when I'm drunk
Well, they wrong
They wrong, they wrong, they wrong

They say I'm not as tough
(They wrong)
My work ain't worth as much
(They wrong)
Say I should stay in touch
Well, they wrong
They wrong
They wrong

They wrong
They wrong
Yeah, 'cause they wrong
They wrong

(Ahhh, ahhh)
'Cause they wrong, they wrong, they wrong

I can't be president
(They wrong)
Or run the government
(They wrong)
Keep quiet, don't protest
Well, they wrong
They wrong
They wrong

They wrong
They wrong
Yeah, 'cause they wrong

They wrong
They wrong
Yeah, 'cause they wrong
