Help me out  
I'm just tryna get directions  
To your boyfriend house  
There's something that we haven't really talked about  
I wonder what you're thinking when we mess around  
When we're hanging out

I want his magazines  
I want his video games  
And I want all the other boys to call me by my name

I use his VO5  
I wear his aftershave  
I feel fantastic  
And I can't behave

Khalas  
I know everybody  
Wants to see my silhouette  
Sa'alty 3an hedoomi  
Libsi kibeera  
Ana zehe't  
Threw my dresses on the street  
Used to smell sweet  
Now they smell like gasoline

I want his baggy jeans  
I want his dirty shoes  
And I've started using chewing gum as superglue

I use his VO5  
I wear his aftershave  
I feel fantastic  
And I can't behave
