She likes a boy, she likes a boy  
She likes a boy, she likes a boy  
And I'm not a boy, I'm not a boy  
I'm not a b...

At 14, Katy talked about teenage dreams  
On the bus and she's looking at me  
Talking about life and her dog and the boys that she likes  
I ask, "Have you got someone in mind?"

He's at the all-boys school  
She says something about liking his height  
Suddenly worried about mine

She's half-Greek with a pretty face  
Strawberry lip gloss, oh, it's wasted  
On this dumb boy who likes the chase  
But why am I so angry in the first place?

Why am I hurting?
