

Dntstop (Interlude)

NxWorries

Don't stop (Ahhhh)
Don't stop (Ahhhh)
Don't stop (Ahhhh)
Don't stop (Ahhhh)

Yeah, that shit was hot
But now to put you to some real shit
The shit the mixtape nigga's know
Only the nigga's that was living in with us know about
The cats that used to ball out in the clubs with us
That used to help us buy out the bar, you know
This the shit we would just have a ball with
