

Ooh

Girl that pussy like a sweet low rider
My bitch sip sip all damn night
You gon' make me tell you something
Something you're gonna remember
I'm gon' have to change my flight
Cause I can't book a trip up on a broke [?]
You gon' make me give you something
Something your gonna remember (When I'm gone)

You gon' have to quit your job today
I think I'm gon' have to pay your car, no [?]
We can skip the bar, I just want you in my arms
All night (All night)
And please let your stress, be free on your level
I got trees in my dresser, dro' and tea with the honey from New Zeala
nd
Huh, I really mean it

Girl that pussy like a sweet low rider
My bitch sip sip all damn night (All damn night)
You gon' make me tell you something (Something, something good yeah)
Something you're gonna remember
I'm gon' have to change my flight (For another night)
Cause I can't book a trip up on a broke [?]
You gon' make me give you something (You gon' make give you something
good, hey)
Something your gonna remember (When I'm gone)

Over, when you gon' get older (When you gon' come over)
Told her, never gon' get over (I'm never gon' get over this)
Slower, let me slip it slower (Had to sip it all night)
Over, when you gon' come over
It's over, never gon' get over
Slower, let me slip it slower (I've been sipping all night)

Girl that pussy like a sweet plum wine
I been sip sip all damn night
You gon' make me tell you something
Something your gonna remember
I'm gon' have to change my flight
Cause I can't book a trip up on a broke [?]
You gon' make me give you something
Something your gonna remember

Over, when you gon' get over
It's over, never gon' get over
Slower, let me slip it slower (Ooh)
