But what about you and me? We could be a song (We could be a song)

Lil' sumn in my cup (Sip, sip, sip, sip)  
Back-to-back-to-back-to-back-to-back slow jams-oh! (Ooh, baby)  
It's a little after three; I wish I had somewhere to be, someone to see (Ooh

I guess I gotta face my fears, roll the windows down  
I hope the rain hide my tears; it's where-

Where? Where?

They say the worst thing that can happen to a man is comin' home to an empty  
bed but I beg to differ  
Where do I go to?  
Where do I go now?  
I say the worst thing that can happen to a man is if his lady gets up and ch  
anges the locks and puts all his clothes on the front door  
Where do I go to?  
Where do I go now?  
And now she's nowhere to be found, and now you have nowhere to go  
Where do I go to?  
Where do I go now?  
What do you go to? What do you do? Yeah. This the story of a man  
Where do I go to?  
Where do I go now?  
You may know that man  
Man, oh, man  
Where do I go to?  
Where do I go now?  
That's life  
What do you go to? What do you run to? Who do you run to?  
Where do I go to?  
Where do I go now?
