

HereIAm

NxWorries

Ooh, you give me heartache, baby
I'm phoning from the pain like a shot to my kidney
What a shame that we never seen Jamaica (What a shame)
I was 'posed to take the vacation, but flaked on ya (What a shame, what a shame)

And uh, no one wants to hear my sides of things, ha
My own mama called me stupid when I broke the news (No way)
"You's a fool to go and ruin up a good thing" (It's a fool)
I guess I had to lose to fully appreciate (It's a fool, it's a fool)

And now I gots to move 'cause the lease is in your name (I gots to move)
But I'm letting all the hoes know I'm single again (No lie, no lie) (Single again)
And I'm throwing the little part in DT LA (In DT LA)
Got a brand-new apartment with no roommates (No one)

Tryna start a clean slate (No), but it's hard to keep face (Yeah)
But I know I did you dirty (I know I did you), I just, wanted to say, hey

(Honestly, I just wanted to know how you was doing, I saw you)
(You, you popped up with my)
That was my bad, that's honestly my fault (Fuck)

I went and got a young bitch, twenty-one, dumb thick (Damn)
But she dumb as a brick with shitty music taste (No one)
I know it's looking like I might be really doing things (No, Lord)
But I ain't doing shit, but looking on your page (My God)

I see you meditating, thriving, and going places
Finally got somebody to take you on vacation (No lie, no lie)
Honestly, I was hoping that was your friend taking all the pics and stuff, but nonetheless (No lie, oh, yeah, no lie, no lie)
Um, congratulations, I'm happy for you and shit

Every time they see me, they saw you (Yeah)
Now everybody asking me, "What the fuck did I do?" (Shit! No lie, no lie)

Yo, y'all was actually cute together, what happened, man?
Bro, I already told you (No lie, oh, I)
Why are you raising your voice, man, we're just h-
Why are you bringing it up again? Bro, it's a house rule

My bad, that's actually the first time I brought it up, so
That's what I'm saying, so make me feel warm and shit, bro
Let's, okay-, obviously that's what we're here for
I told you
Okay, we'll, uh
