

KeepHer

NxWorries

Money won't keep her
Feelings won't keep her

You know what they say (Ooh-ooh)
There's a million on a plane either way
And if this was made to be
It's such a lovely dream
Or would you wanna wake me up?
Ooh-ooh-ooh-ooh-ooh

You drove the night to my pride
There's no more words to say but goodbye
How you gon' compare me to this guy?
He don't love you the way I
You don't look good in that, bitch

You supposed to be with me (Ooh-ooh-ooh-ooh)
I put that on the Jesus piece (Ooh-ooh-ooh-ooh)
You said you needed peace
Then spent the week in Greece (Oh)
Phone off, you said you was 'sleep (Oh)
I knew you was (Oh), bitch

Jetlag when you show up (Show up)
Rollin' in with a chauffeur (Chauffeur)
All I wanna do is spoil you (Spoil you)
But you know that the money won't keep her (The money won't keep her)
Too late for a prenup'
Bouquets don't mean nothin' (Mean nothin')
Double C's on the sneakers (Sneakers)
But you know that the money won't keep her (The money won't keep her)

No, no (Money won't keep her)
The money won't keep her
No, no, no, no (Money won't keep her)
The money won't keep her

You put the pain in my eyes
There's no more tears to cry, I'm all dry
I pack my bags, but if you don't mind, don't mind
Let's make love for the last time, then goodbye

You supposed to be with me (Ooh-ooh-ooh-ooh)
I put that on the Jesus piece (Ooh-ooh-ooh-ooh)
You said you needed peace
Then spent the week in Greece (Oh)
Phone off, you said you was 'sleep (Oh)
I knew you was (Oh), bitch

Jetlag when you show up (Show up)
Rollin' in with a chauffeur (Chauffeur)
All I wanna do is spoil you (Spoil you)
But you know that the money won't keep her (The money won't keep her)
Too late for a prenup'
Bouquets don't mean nothin' (Mean nothin')
Double C's on the sneakers (Sneakers)
But you know that the money won't keep her (The money won't keep her)

No, no (Money won't keep her)
The money won't keep her
No, no, no, no (Money won't keep her)
The money won't keep her
No, no, no, no (Money won't keep her)
The money won't keep her
No, no, no, no (Money won't keep her)
The money won't keep her

You say you're losin' yourself to me
You used to love when I swept you off your feet
Bitch (Oh, damn), you bring out the worst in me
'Cause I know what lost is seen
I can see why I drank so much (Ooh-ooh-ooh-ooh)
'Cause I wasn't tryna think too much (You said I take too much)
I think I, bitch
