

Bila raha hakuna time za kurememba
Na time ya kuremember ndo utakua nayo pekee
Bila love hakuna mahali tuna enda
Show me love I'll never show anything else
Hizi moment nataka zi last forever, (zi last for ever)
Every moment uko nayo jitolee(jitoleeeee)
Ka ni real basi uta kua hapo kila weather, (any weather)
Utafurahia jua zaidi ka jana kulirain.(rain)

Ridhisha moyo aai
Usiulize why?oh why?oh why?
Uko in the mix with the best enjoy
That's all I want...enjoy...enjoy
To feeling more alive, (to feeling more alive)
The reason why oh why oh why
Uko in the mix with the best
Thats all I want

Ona vile saa hua ina fly,vile saa hua ina fly
Ona vile saa hua ina fly,vile saa hua ina fly
Ata si amini...mini
Vile ina fly ata si amini...mini

Machao nayo unashindwa kuona
Tuki worry hakuna kitu tuta change
Bila love hakuna mahali tuna enda
Show me love I'll never show anything else
Onja raha ujionyeshe unajipenda
Time unayo usikubali kuiwaste
Real hu maanisha niko hapo kila weather
Real hu maanisha niko hapo kila day

So ridhisha moyo aai
Usiulize why?oh why?oh why?
Uko in the mix with the best enjoy
That's all I want...enjoy...enjoy
To feeling more alive, (to feeling more alive)
The reason why oh why oh why
Uko in the mix with the best
Thats all I want

Ona vile saa hua ina fly,vile saa hua ina fly
Ona vile saa hua ina fly,vile saa hua ina fly
Ata si amini...mini
Vile ina fly ata si amini...mini
