

## Sweet Aroma

Nyashinski

Fire burning on a flower, sweet aroma  
Polite, before we make it home, uh  
Unajifanya uko surprised, nishaku-soma  
Decide if you wanna be alone or ride with me  
Fire burning on a flower, sweet aroma  
Fire burning on a flower, sweet aroma

Yeah, maybe like  
Uki-die, unaenda heaven, who knows?  
Nani asha-die na akarudi life?  
Lazaro ama Jesus Christ, that's what this feels like (Uh)  
Nishaona future na ni real bright  
Tuta-fall in love after midnight (Uh)  
Then fall out after breako  
I'm the boss, so ni mi niko na say-so  
Niko first class, nakaa nimepotea  
Fuck that, hawa ma-millionaire  
Itabidi wameanza kunizoea  
Hizo club zao, nakam kuzinyorea  
Rich neighborhood bully, crib too loud  
Fuck how you feel, I made my people proud  
My doubters jealous and my exes friendly  
Niko G ride, ukichungulia utaona fire

(Yeah, yeah, woah, woah, woah, woah)  
Balcony juu, my favorite views  
Favorite tune kwa Bluetooth  
4:20 sharp, uki-late, ni a minute or two  
Everybody deserves a redo  
Unafikiria ma-idea uki-meditate  
Una-wish Malkia angekuwa ana-medicate  
Watu wakigonga cheers waki-celebrate  
Una-wish kimoja kingekuwa kina-rotate, uh  
Saa uko kwa zone, uh (Baby, saa uko kwa zone)  
Safisha rada na cologne (Fisha rada na cologne)  
Mtu asilete bad vibes hapa (Zi)  
I'd just rather be alone, me and my fire

Kama nakupenda, mari  
Mbona hatuwezi cheza wazi? Ni siri, siri  
Kama nakupenda, juana  
Mbona nakuficha na marashi-shi-shi-shi  
Naomba usiende mbali  
Unapendwa sana geti kali, we hu-fit in vifiti  
Kama nakupenda, mari  
Kama nakupenda, juana  
Sweet aroma
