

Time

Nyashinski

Yeah, yeah, yeah, yeah, yeh
Eeh, uh

Kitu sina ni time, na day zina-fly (Uh, yeah, yeah)
Siezi afford ku-mark time mimi (Ah-ah)
Kitu sina ni time, na day zina-fly (Uh-huh, yeah)
Siezi afford ku-mark time mimi (Yeah)

Uh, we ni rapper, si unafaa kuwa una-brag
Juu ya bag? But wanang'am
Vile inakam, ata kaa husemi
Inner circle inaendanga tu ikikuwa pienga daily-daily
Trust si natural kwako, bado ume-tense
Plus kila mtu ana version yake ya events
Ushanionesha na ukinionesha nacheki
Ume-try ku-separate huu nutty professor na cake
Mi ni provider na steti
Jah my protector, wengine wakienda na ukedi
From ku-grow pamoja to saa kuonana wikendi
Najua mnacheki niki-make it
Nina masikio mahali siko

Kitu sina ni time, na day zina-fly (Woo)
Siezi afford ku-mark time mimi
Kitu sina ni time, na day zina-fly
Siezi afford ku-mark time mimi

Hii kitu ni kaa interview
Na-do kitu fiti, uko like, "Hivi ndio ma-nigga hu-do"
Used to be sneaky, siku hizi hatufuchi hizi feelings
Went from, "Ni phase itapita tu" to "Mapenzi hakika tu"
Na-reason na roho, sio akili, risking like we don't need to be doing
Na inatuumiza juu tunacheza chini
I been through things, you been through things, so really
Niki-imply hiyo ndio reason mi hukuwa hivi, I know you feel me
All gangsta mpaka tu-catch ma-feelings (Alafu nini?)
Alafu? Alafu jea-lou-sy (Ikifanya nini?)
Ikishaingia kwa picha
Huwanga imeingia kabisa

Na kitu sina ni time, na day zina-fly
Siezi afford ku-mark time mimi
Kitu sina ni time, na day zina-fly
Siezi afford ku-mark time mimi

I feel like my hours go (They go)
Faster than they used to go (Ahh)
You feel like you need more time with me
(Need more time with me)
I feel like my hours go (They go)
Faster than they used to go (Ahh)
You feel like you need more time with me
(Need more time with me)

Kitu sina ni time, day zina-fly
Siezi afford ku-mark time mimi
Kitu sina ni time, day zina-fly

Siezi afford ku-mark time, yeah, yeah
Kitu sina ni time, na day zina-fly
Siezi afford ku-mark time mimi
Kitu sina ni time, na day zina-fly
Siezi afford ku-mark time mimi
