Nylon Moon

Nylon Beat

Take a look at the sky tonight
There's a shiny Nylon Moon
Right is wrong and left is right
Just because of Nylon Moon

Nylon Moon
Nylon Moon

Everybody's crazy again
Singing and shouting
There's a carnival "La Luna" going on

Have you heard the sound of insane
Lunatic laughing
There's a chance
That everything is going wrong

Why don't you
Take a look at the sky tonight
There's a shiny Nylon Moon
Right is wrong and left is right
Just because of Nylon Moon

Take a look at the sky tonight
You can see the Nylon Moon
If you can't hide that shining light
You're gonna turn to crazy soon

Nylon Moon
Nylon Moon

You better find a new hide-away
Just for protection
All the werewolves of the night
Are after you

If the beam should hit today
There's a connection
Between you and that old crazy
Nylon Moon

Why don't you
Take a look at the sky tonight
There's a shiny Nylon Moon
Right is wrong and left is right
Just because of Nylon Moon

Take a look at the sky tonight
You can see the Nylon Moon
If you can't hide that shining light
You're gonna turn to crazy soon

Nylon Moon
Nylon Moon
Nylon Moon
Nylon Moon
