

Every time the night drops  
I'm up on top the rooftop  
Wishing on a better life  
'Cause I've been running bases  
Wondering what my place is  
Am I gonna get it right?

Yeah, but daddy said, "Boy don't play  
You can be anything you want someday"  
But I've been losing patience  
Staring at these spaceships  
Dreaming of a better life

I run away, I run away sometimes  
Don't look back, no, I don't say goodbye  
Man, I run away, I run away sometimes

Now I'm free  
After all, all we are is all we need  
Now I'm free  
After all, all we are is all we need

I was on the ocean  
Waitin' on a breeze  
Looking at the answers  
Swimming under me  
Don't tell me where I'm going  
Only where I've been  
Something 'bout to change now  
Coming from within

I run away, I run away sometimes  
I don't look back, no, I don't say goodbye  
Man, I run away, I run away sometimes

Now I'm free  
After all, all we are is all we need  
Now I'm free  
After all, all we are is all we need

(Hold me down, hold me down all the way)  
(Hold me down, hold me down all the way)  
Now I'm free (Hold me down, hold me down all the way)  
I know I'm not dreaming, I'm just ready to fly

Now I'm free  
After all, all we are is all we need  
Now I'm free  
After all, all we are is all we need

I'm free, I'm free, I'm free  
Oh, yeah, oh, yeah  
I know I'm on my way, I know there's something out there  
(Hold me down, hold me down all the way)  
I know I'm not dreaming, I'm just ready to fly
