O.T. Genasis

Rack, oh, oh, oh
(Juice808)

I got the molly, oh, I got the Xans
I got the Oxy, go, I got the bands
Get racks nigga, get racks nigga
Get racks nigga, get racks nigga
I got the molly, I got the Xans
I got the Oxy, I got the bands
Get racks nigga, get racks nigga
Get racks nigga, get racks nigga

I'm in the trap
I get the racks
Niggas be talking
I get the whacked
I got the strap
Sit on my lap
Got a new house
I need a mat
Billboard'll get it again
These niggas don't want me winning
Running behind all these walls
Feel like I'm stuck in the pen
All of these fuck niggas
Acting like fuck niggas
All of these sus niggas
Semi [?] niggas
.357 on me
That Mac-11 on me
If you get caught slipping
He go to Heaven on E!
They keep on hating on me
They put a [?] on me
I got a tip for the things
Heard that they waiting on me

I got the molly, oh, I got the Xans
I got the Oxy, go, I got the bands
Get racks nigga, get racks nigga
Get racks nigga, get racks nigga
I got the molly, I got the Xans
I got the Oxy, I got the bands
Get racks nigga, get racks nigga
Get racks nigga, get racks nigga

Benz truck with no mileage on it
And there your bitch tongue got molly on it
And I'm an ex-con, former crack dealer
Whose always pass a rap nigga
But I still ride with a sack full of
So I'm gonna take it, make me act better
Mason Margiela with the black leather
Make it hard, I deserve a [?]
Just fell in love with my bank teller
If money make these niggas Uncle Tom
Never wanna be as rich as that nigga

Still white on white Frank Mueller
Ice cold, yessir
I'm an avalanche, you a McFlurry
Blowing gas till my chest hurt
The [?] as my net worth
My nigga OT told me OG
Got it locked in like a door key
But he lowkey, need an oz?
I throw you something nigga, no fee, damn

I got the molly, oh, I got the Xans
I got the Oxy, go, I got the bands
Get racks nigga, get racks nigga
Get racks nigga, get racks nigga
I got the molly, I got the Xans
I got the Oxy, I got the bands
Get racks nigga, get racks nigga
Get racks nigga, get racks nigga
