

# Too Blessed

O.T. Genesis

My life good, so good  
I know, I know, I know yeah yeah

Maserati, Rolls Royce, skurr, first class, birdbath  
I'm too blessed to be stressed  
I'm too blessed to be stressed  
Maserati, Rolls Royce, skurr, first class, birdbath  
I'm too blessed to be stressed  
I'm too blessed to be stressed

Hit the kitchen, hit that rock up  
You remember we was locked up  
He a trusty, got his own broom  
My lil nigga coming home soon  
Track through the path  
Whip through the class  
Pot on the stove  
Stretch like a rag  
Came in a foreign, left in a jag  
Took her to the store, left with a bag  
I ain't gone trip about them bills, I'm like fuck that shit  
I ain't gone talk about my ex, I'm like fuck that bitch  
Thank God so I pray  
We done came a long way, aye aye

Maserati, Rolls Royce, skurr, first class, birdbath  
I'm too blessed to be stressed  
I'm too blessed to be stressed  
Maserati, Rolls Royce, skurr, first class, birdbath  
I'm too blessed to be stressed  
I'm too blessed to be stressed

What kind of car I'm about to buy today?  
Drunk but I'm about to get high today  
Said she want to see a nigga right away  
I got to fly today  
Get to miles up, money pile up  
All these niggas stuck  
Why you winned up?  
Thought it was luck, never gave up  
Should have been a bag, cause I'm too clutch  
Watching how these fuck niggas try to look at me  
Got that 45 ain't nobody booking me  
I done came a long way  
Please don't make a nigga spray aye aye

Maserati, Rolls Royce, skurr, first class, birdbath  
I'm too blessed to be stressed  
I'm too blessed to be stressed
