

Traffic

O.T. Genasis

(Yung Lan on the track)

Skrt, get out the way

I just wanna traffic

It's too much traffic

Don't stop, don't stop, don't stop, don't stop

Don't stop, don't stop, don't stop, don't stop

I just wanna traffic

It's too much traffic

Don't stop, don't stop, don't stop, don't stop

Don't stop, don't stop, don't stop, don't stop

Sitting in the car tryna move work

Had my plug hit me from the new chirp

First time on the road a nigga heart racing

A nigga tryna get to his destination

Hustle everyday tryna get ahead

I ain't looking side to side, I'm looking straight ahead

Back to back traffic and a roadblock

I'm tryna get there before 5 o'clock

I just wanna traffic

It's too much traffic

Don't stop, don't stop, don't stop, don't stop

Don't stop, don't stop, don't stop, don't stop

I just wanna traffic

It's too much traffic

Don't stop, don't stop, don't stop, don't stop

Don't stop, don't stop, don't stop, don't stop

So close I feel like we bout to bump

Hundred degrees, mail coming through the trunk

Look under my seat, I got Smith & Wesson

I think I see lights but that's my damn reflection

Nervous than a bitch, fast heartbeat

No tints in the back, just a car seat

12 right ahead, cut my lane off

I gotta hurry up and get these things off

I just wanna traffic

It's too much traffic

Don't stop, don't stop, don't stop, don't stop

Don't stop, don't stop, don't stop, don't stop

I just wanna traffic

It's too much traffic

Don't stop, don't stop, don't stop, don't stop

Don't stop, don't stop, don't stop, don't stop
