Over

O-Town

You don't see me anymore
Like some kind of ghost
I've been sleeping on the floor
Got nowhere to go
The shoulder was colder than cold
You just let me go, you just let me go go go
I'm a glutton for punishment though
Coming back for more

So tell me how did you get so over me so over me so fast
Tell me how the hell you over me so over me like that
Say you never loved me and I'll tear up the memories
Forget that you met me, I don't know what else I could do
Tell me how the hell you over me and I'll get over you

I'm so tangled up in you
In so many ways
That every time I try to move
I'm frozen in place
What you did was lower than low
I can't let it go, I can't let it go go go
I'm a glutton for punishment though
Coming back for more

So tell me how did you get so over me so over me so fast
Tell me how the hell you over me so over me like that
Say you never loved me and I'll tear up the memories
Forget that you met me, I don't know what else I could do
Tell me how the hell you over me and I'll get over you

Ooh
Just say that there was nothing there that you take it back
Ooh
I really shouldn't have to ask, don't you owe me that
Ooh
Be honest as we fade to black and know

So tell me how did you get so over me so over me so fast
Baby how the hell you over me so over me like that
Say you never loved me and I tear up the memories
Forget that you met me, I don't know what else I could do
Tell me how the hell you over me and I'll get over you
Tell me how the hell you over me and I'll get over you
