1. Gold And Silver and sunshine is rising up

Pour Yourself another cup of Lady Grey  
**D5** **G5**  
Take My Hand in the meantime, when you've had enough,  
**F** **E7** **Ebmaj7**  
You'll find me on the end of a runway, babe.
2. Tell the world that you love them in a melody,  
Send my old piano and a tele-gram  
Gotta get me a doctor with a remedy  
I'm Gonna take a walk with the monkey man!
