

Born On A Different Cloud

Oasis

Ami/F Ami

Born on a different cloud

G **G/E G**

From the ones that have burst 'round town

F **F/D F**

It's no surprise to me

G **G/E G**

That you're classless, clever and free

Loaded just like a gun

You're the hero that's still unsung

Living on borrowed time

You're my son and you're gonna shine

Dmi

Talking to myself again

A

This time I think I'm getting through

Dmi

It's funny how you think

A **E**

It's funny how, it's funny how when you do

Born on a different cloud

From the ones that have burst 'round town

It's no surprise to me

That you're classless, clever and free

G **Ami**

Lonely soul busy working over-time

G

Nothing ever gets done

Ami

Especially when your hands are tied

G **Ami**

Lonely soul breaking up your mother's pride

G

Nothing ever gets done

E

Not until your war's won
