

# Carry Us All

Oasis

Dm7 G Dm7 G

Dm7 G Dm7  
I heard a whisper on my radio - but I paid no mind

G  
I just sat back and I let it go.

Dm7 G  
To catch the rain from a lonely waterfall

Dm7 G  
But I might be wet 'cos they could drown me like a dog.

C G C G/B Am  
They got me running out of time, I feel like a bonafide

F G Am C  
The keeper of a right or wrong and I've known all along

G  
But let me just make it clear.

C G Am  
Everybody's gone for a quick sure-fire solution

B F G Am G  
But faith in any God is gonna bury us all.

C G Am  
No-one's gonna fight in a ten-bob revolution

B F G Am  
Have faith in what'cha got and it will carry us all,

G  
Carry us all

Dm7 G (x2)

Dm7 G Dm7  
I slipped my skin as the forfeits reappear, but I paid no mind

G  
I'm just trying to persevere

Dm7 G  
With the sins I have to shake from me within

Dm7 G  
But I might be wet, cos they're just trying to wear me thin.

So let me just make it clear.
