

# Guess God Thinks I'm Abel

Oasis

I could be your lover  
You could be you mind  
We go on forever  
Till the end of time

You could be my best friend  
Stay up all night long  
You could be my railroad  
We'd go on and on

Lets get along  
There's nothing here to do  
Lets go find a rainbow  
I could be wrong but what am i to do

Guess god thinks I'm Abel

You could be my enemy  
I guess there's still time  
I get round to loving you  
Is that such a crime?

Lets get along  
There's nothing here to do  
Lets go find a rainbow  
I could be wrong but what is there to do

Guess god thinks I'm Abel

No one can break us  
No one could take us  
If they tried

No one can break us  
No one could take us  
If they tried

Come on over  
Let's make it tonight
