

# Hello

Oasis

I don't feel as if I know you  
You take up all my time  
The days are long and the night will throw you away  
Coz the sun don't shine  
Nobody ever mentions the weather can make or break your day  
Nobody ever seems to remember life is a game we play

We live in the shadows and we had the chance and threw it away  
And it's never gonna be the same  
Cos the years are following by like the rain  
And it's never gonna be the same  
'Til the life I knew comes to my house and says  
Hello

There ain't no sense in feeling lonely  
They got no faith in you  
But I've got a feeling you still owe me  
So wipe the shit from your shoes  
Nobody ever mentions the weather can make or break your day  
Nobody ever seems to remember life is a game we play

We live in the shadows and we had the chance and threw it away  
And it's never gonna be the same  
Cos the years are following by like the rain  
And it's never gonna be the same  
'Til the life I knew comes to my house and says  
Hello

Hello!  
Hello!  
Hello!  
Hello!  
It's good to be back
