Dm B F
Is anyone here prepared to say

A Dm
Just what they mean or is it too late?

B F
For anyone here to try to do

A B
Just what it takes to get through to you

B F
So let's all make believe

A B
That we're still friends and we like each other

F
Let's all make believe

A A Dm
In the end we're gonna need each other

Dm B F
Straddle my hope and make me pray

A Dm
To a God I've never seen, but who I've betrayed

B F A
To the people who live the afterlife In a place I'll never be 'til

B
I'm crucified

B F
So let's all make believe

A B
We're still friends and we like each other

B F
Let's all make believe

A B
In the end we'll need each other

B F
Let's all make believe

A B
That all mankind's gonna feed our brother

B F
Let's all make believe

A Dm
That in the end we won't grow up
