

Sad Song

Oasis

Sing a sad song

C

In a lonely place

Esus4

EG

Try to put a word in for me

It's been so long

Since I found this place

You better put in two or three

We as people, are just walking 'round

Our heads are firmly fixed in the ground

What we don't see

Well it can't be real

What we don't touch we cannot feel

C

G

Where we're living in this town

Am

F

The sun is coming up and it's going down

C

G

D

Dsus4D

But it's all just the same at the end of the day

G

C

And we cheat and we lie

Am

Nobody says it's wrong

F

So we don't ask why

C

G

D

Dsus4D

Cause it's all just the same at the end of the day

F C

We're throwing it all away

F C

We're throwing it all away

F C

Esus4E

We're throwing it all away at the end of the day

If you need it

Something I can give

I know I'd help you if I can

If your honest and you say that you did

You know that I would give you my hand

Or a sad song

In a lonely place

I'll try to put a word in for you

Need a shoulder? well if that's the case

You know there's nothing I wouldn't do

Where we're living in this town

The sun is coming up and it's going down

But it's all just the same at the end of the day

When we cheat and we lie

Nobody says it's wrong

So we don't ask why

Cause it's all just the same at the end of the day

Don't throw it all away

Don't throw it all away

Don't throw it all away

Don't throw it all away
Throwing it all away
Throwing it all away
Throwing it all away

Throwing it all away
Throwing it all away
You're throwing it all away at the end of the day
