She's electric

**E As C#m A2**

She's in a family full of eccentrics

**E As C#m A2**

She's done things I've never expected

**C D E**

and I need more time

She's got a sister

And God only knows how I've missed her

And on the palm of her hand is a blister

And I need more time

And I want you to know, I've got my mind made up now

But I need more time

**A Amaj7 A Amaj7**

And I want you to say, do you know what I'm saying

**A C#m**

But I need more....

Cause I'll be you and you'll be me

She is electric, can I be electric too?

**E As C#m A2 E As C#m A2**

She's got a brother

We don't get on with one another

But I quite fancy her mother

And I think that she likes me

She's got a cousin

In fact she's got 'bout a dozen

She's got one in the oven

But it's nothing to do with me

And I want you to know I've got my mind made up now

But I need more time

And I want you to say, do you know what I'm saying

But I need more

Cause I'll be you and you'll be me

There lots and lots for us to see

There's lots and lots for us to do

**B C D E**

She is electric can I be electric, too can I be electric

**C D E C D E**

too can I be electric too
