But I don't mind

As long as there's a bed beneath the stars that shine

I'll be fine, if you give me a minute

A man's got a limit

I can't get a life if my heart's not in it

I've lost my faith in the summer time

Cos it don't stop raining

The sky all day is as black as night

But I'm not complaining

I begged my doctor for one more line

He say "Son - words fail me

It ain't your place to be killing time"

I guess I'm just lazy

But I don't mind

As long as there's a bed beneath the stars that shine

I'll be fine, if you give me a minute

A man's got a limit

I can't get a life if my heart's not in it
